9 Organizational Chart

10 Student feedback mechanism on Institutional Governance/faculty performance

At the end of each semester, students are given forms to express their views regarding the classes, the completion of course and their suggestion on the teaching process. These things are later discussed in the academic advisory body meeting and necessary steps are usually taken to strengthen the teaching standards.

11 Grievance redressal mechanism for faculty, staff and students

The college has a Grievance Redressed Cell comprising HODs of all departments. Particularly to take care of girl students, the college has a special counselling cell in charge of a senior lady faculty to meet the grievances of the girls. All these committees are headed by the Principal which take into consideration all grievances.
